**The MSB's vision**  
**A safer society**  
**in a changing world**

Swedish Civil  
Contingencies  
Agency

**Accidents and emergencies have no limits.  
They occur even if we don't want them to.**

Swedish Civil  
Contingencies  
Agency

**We live in a time when society changes quickly. Suddenly, the unexpected happens. And then, we must know what we have to do.**

Swedish Civil  
Contingencies  
Agency

**Falls**

**Drowning**

**Power cuts**

**Pandemics**

**Fires in buildings**

**Transport accidents**

**Incidents involving flammables and explosives**

**Large scale chemical emergencies**

**Landslides**

**Woodland fires**

**Storms**

**Flooding**

**Disruptions to vital societal functions**

**Attacks on IT**

**The unexpected**

# The Swedish emergency preparedness system

- Societal emergency preparedness is based on everyone taking responsibility for their own activities and cooperating with each other to reduce vulnerability and improve the capacity to deal with emergencies when they occur.
- Some cornerstones of Swedish emergency preparedness:
  - The responsibility principle
  - The proximity principle
  - The equality principle
  - Geographical responsibility

## The MSB in brief

- We have about 900 employees
- We are located in Karlstad, Kristinehamn, Ljung, Revinge, Rosersberg, Sandö and Stockholm
- We run training courses in Revinge, Rosersberg and Sandö
- The MSB is a government authority under the Ministry of Defence
- Our director-general is Helena Lindberg
