PSCE Working Groups

Activities Overview

FREQUENTIS
FOR A SAFER WORLD

Working Groups

→ Human Factors

→ User Requirements

→ Spectrum

→ Operational Interoperability

→ Satellite Communications

→ Terminology

FREQUENTIS

Human Factors Working Group

→ Secretary Jaenette Innes Reported on activities

- UK Involvement in NPIA Multi-Agency Interoperability Programme

- Cabinet Office work: Telecommunication sub-groups around the UK to explore human factors in multi-agency co-operation.

→ Focus on people using technology to do their job

→ Progressing to discuss preliminary findings first with PSCE User Committee

→ Formal Representatives:

- Chair: Hans van de Burgt (TNO);

- Vice chair: Reinard van Loo (Frequentis AG); (Pending approval)

- Secretary: Jeanette Innes.
